Support Camp Big Heart

Because of hard work and donations from our community, a session of camp costs only \$500 per camper. We are proud to offer one of the most affordable camps of our kind in the entire Southeast. We know it's important for families to be able to plan ahead, so the camper fee will remain \$500 through 2020.

Financial support from our community is a critical part of our ability to put on a fast-paced, fun, unforgettable camp. Our staff is skilled at creating adaptive, engaging activities without breaking the bank, so donations of any size make a difference.

We're making donating to camp easier than ever. If you'd like to support camp, simply tear off and fill out this panel, give it to any member of our board (or mail it to the address below), and we will follow up with you.
